What Is The Library Foundation of Kanawha County, Inc.?

The Library Foundation is a separate, non-profit organization which exists in support of the Kanawha County Public Library system.

Although funding for KCPL comes mostly through local and state tax revenues, the cost of resources and services can no longer be met only through these sources. The library also depends upon generous donors who believe that the library is essential to the quality of life in our community and that it deserves additional support.

We appreciate the consistent support received from public and private sources and look forward to serving the Kanawha Valley for many years to come.

A Great Library Needs Great Friends

The Friends organization is a committee of The Library Foundation, and a member of the Foundation board serves on the Friends Steering Committee. The purpose of the committee is to support the library's vision and mission through: advocacy; assisting with special events, including volunteerism, fundraising and public relations; and offering assistance and support to each library in the system.

How We Help

Advocacy

Work with the Kanawha County Public Library and Foundation boards of directors to develop and carry out coordinated advocacy programs for the KCPL system. Specific tasks include writing about state and local library issues, speaking to groups about library issues and going to the Legislature.

Branch Support

Communicate and work with the advisory boards at each of the branch libraries.

Communication

Maintain regular communications with all Friends members and work with library staff on external communications regarding the Friends' activities.

Fundraising

Raise funds to support programs and projects not covered by the KCPL budget. The primary fundraiser is A Tisket, A Tasket, A Literary Basket, held each spring.

Volunteering

Volunteer at various events throughout the year, such as the Annual Street Fair, West Virginia Book Festival and the Main Library Open House.

Membership

Oversee recruitment of new members and plan Friends membership events.

Make an Impact

In 2020, A Tisket, a Tasket, a Literary Basket raised over \$20,000 for the Kanawha County Public Library. From these proceeds, the Friends provided financial support for numerous library events and classes.

In 2019-2020, the library held 1,881 FREE programs attended by nearly 35,000 children, teens and adults. A small sample of the events, classes and programs that the Friends provided funding for during that time includes:

- Summer reading programs for all ages
- Spring break events for children
- Classes and events for seniors
- STEM (science, technology, engineering and mathematics) programs for children and families
- Early literacy programs
- The West Virginia Book Festival
- Holiday open houses

Your support is needed to help Kanawha County Public Library continue its drive to provide cutting edge services for everyone in Kanawha County.
