Title Adoption Program

*Commemorate a person, group,
occasion or milestone by adding a title

The Kanawha County Public Library system has a vast collection of materials, including books and audiovisual items, for our patrons to borrow or use in our libraries. An ongoing mission of the library is to continually enhance and vary the selection of library materials available to our patrons.

The average cost of a book today is about \$25 - a considerable investment when multiplied by the number of volumes purchased by the library system each year. By contributing to this program, you will help the library to further develop the collection.

This program is also a perfect way to recognize many milestones -- births, deaths, weddings, anniversaries, retirements and years of community or company service. If you choose, a book plate can be placed in most of the materials to identify your gift.

To make a contribution toward the purchase of library materials, please thoroughly complete the included form.
